

Application for Reimbursement

Bartlett Electric Cooperative's "B-Green" is an incentive program offering rebates to our members who make qualified energy efficiency improvements to their homes or business. The program is a great way for residential and commercial members to use energy more efficiently and save money.

Member Information: *(*Must be completed to receive rebate*)*

Heat Pump Rebate

Members who replace existing HVAC equipment are eligible to receive a **\$100** rebate for a 15 SEER (with an HSPF of 8.2) High Efficiency Heat Pump and a **\$200** rebate for a 16 SEER (with an HSPF of 9.0) High Efficiency Heat Pump (or higher). The member must provide a copy of the receipt and the Air-Conditioning Heating and Refrigeration Institute ("AHRI") certificate from the installing contractor for verification purposes. This incentive rebate is not applicable for homes that use natural gas for heating.

B-Green rebates are available for qualifying purchases and/or services. The availability of the B-Green Rebate Program is limited and rebates will be processed on a first-come, first-serve basis. When funds have been depleted, the B-Green Rebate Program will no longer be available until the next year pending board approval. Members must submit this form and required documentation to be eligible for rebates.

To process this form, please send it and the required documentation to:

Bartlett Electric
Attn: B-Green Rebates
27492 Hwy 95
Bartlett, TX 76511

Or

Email form to rebates@bartlettec.coop.

For questions, please call (254) 527-3551

Bartlett Electric Cooperative reserves the right to inspect the member's property and equipment associated with a rebate request to determine eligibility. Bartlett Electric Cooperative is not a party to any agreement between the member and any service provider hired by the member to install equipment (i.e., heat pumps) or to perform services (i.e., HVAC tune-ups) in order to qualify for a rebate. The member and such service provider are solely responsible for satisfying rebate eligibility requirements.
